Health and Safety Policy

Freethorpe CP School and Nursery

Part 1: Governing Body Statement of Intent

Effective health and safety management is integral to delivering our ambition for excellence in education and our performance as a school. Our overall objective is to provide and maintain a safe and healthy environment for our staff and pupils and others with whom we work.

We will achieve this by:

- Developing and maintaining a positive health and safety culture with an emphasis on continually improving our performance taking into account human and cultural factors
- Ensuring that health and safety management is an integral part of decision making and organisational processes
- Adopting a sensible and proportionate approach to managing risks, with well informed decision making processes for higher risk activities and ensuring a disproportionate amount of time is not spent on trivial or everyday risks
- Providing a safe and healthy working environment for our staff, pupils and others working in the school
- Ensuring safe working methods are in place and providing safe equipment.
- Communicating and consulting with our staff and their trade union representatives
- Complying with statutory requirements and where possible best practice
- Investigating and learning the lessons from accidents and work related ill health incidents
- Providing effective information, instruction and training to enable our staff to be competent in their roles
- Monitoring and reviewing systems and preventative measures to make sure they are suitable, sufficient and effective
- Ensuring adequate resources are available to fulfil our health and safety responsibilities and objectives
- Working with and monitoring our contractors to ensure consistent and comparable health and safety standards

Freethorpe CP School and Nursery Health and Safety Policy 2015/17 – reviewed October 2016

We recognise that overall responsibility for health and safety lies with all levels of management having direct responsibility for activities and staff under their control. However, all staff have a legal and moral responsibility to take reasonable care for the health and safety of themselves and for others who may be affected by their acts or omissions.

Name of Chair of Governors: Kelvyn Read

Date: 23/11/2016

This policy will be reviewed by Staff & Governors in Autumn 2017.

Health and Safety Policy

Part 2: Responsibilities and Organisation

Introduction

To comply with the Governing Body's Statement of Intent the following responsibilities have been assigned:

The Governing Body

The Governing Body is responsible for ensuring that suitable organisational arrangements are in place for the management and control of health and safety within the school. In particular, we will ensure that:

- A written policy statement is created and communicated which promotes a positive attitude towards health and safety in staff and pupils
- Responsibilities for health, safety and welfare are allocated to specific people and those people are informed of these responsibilities
- A lead governor for health and safety is nominated
- People have sufficient experience, knowledge and training to perform the tasks required of them
- Clear procedures are created which assess the risk from hazards and produce safe systems of work
- Sufficient funds are allocated to operate safe systems of work
- Health and safety performance is monitored and targets for improvement are set
- The school's health and safety policy is reviewed at least every two years
- Our management of health and safety considers the needs of anyone with a protected characteristic under the Equalities Act

The Headteacher

The Headteacher is responsible for all staff and activities under their control and will ensure that the requirements of relevant safety policies and procedures are implemented and complied with. In particular, they will:
